Dear *Chris*,

SPONSORSHIP FOR SEASON 2014-15

The Committee and Members of Taff's Well Rugby Football Club would like to thank your company for providing sponsorship for the mini and junior rugby teams for the coming 2014-15 season.

The Club has been in existence for over 125 years and over that time a number of players from the area have gone on to play for their country and the British Lions, including Bleddyn Williams, Ian "Ike" Stephens and Steve Fenwick. In all those years the Club has always been a key element of the life of the local communities of Taff's Well and Nantgarw. Your financial support will assist the Club's continuing commitment to providing an environment for young people from within those communities and elsewhere to meet and develop rugby skills and play matches. In addition to learning and developing rugby skills the youngsters are also learning how to work within a team situation, it gives them discipline and above all keeps them fit and healthy. The fact that we have a thriving mini/junior section with almost 80 boys and girls ranging between 6 and 13 years old shows that we are carrying on the tradition started all those years ago. Your sponsorship will enable the Club to purchase kit for the mini and juniors and the kit will proudly display your company's logo.

I should also like to mention that the Club has entered into a partnership with a local charity – "Autism Puzzles" - to provide the space and opportunity for autistic children to enjoy playing sport with other children.

Once again, we are most grateful for your sponsorship and look forward to working together over the coming year.

Yours sincerely,

Mike
